Planned Parenthood: America's Mass-Murder Machine

Planned Parenthood, the nation's leading abortion-provider (40+%), was founded by Margaret Sanger (1879-1966)—a radical birth-control advocate, eugenicist (and racist) who (despite revisionist claims) spoke favorably of both abortion and infanticide.

Some interesting facts have emerged from PP's most recent reports over the past two years (2019-2020 & 2021-2022)...

- The reports reveal that PP has performed a record-breaking number of abortions—even while its other services (cancer screening & prevention services, contraception, etc.) have *dramatically decreased*. Over the past 20 years, as its other services declined, PP's abortions have increased 80%.
- PP's abortion vs. adoption-referral ratio: 200 to 1!
- In 2021-22, PP took in a record \$1.9 billion in revenue, of which \$670.4 million (35%) came from US taxpayers.
- PP is now "all-in" for supplying chemical & "do-it-yourself" abortifacients—despite the fact that these methods are 4x's more likely to produce complications for women's health.
- Gender reassignment therapy is PP's latest rising business.

Dodger Blue...

(Pastor Terry Reese, Valley GBC of Armagh, PA)

Dodger pitcher **Blake Treinen** issued the following response to his team's inviting (then *dis-inviting*... then *re-inviting*!) the **Sisters of Perpetual Indulgence** (an anti-Christian protest/performance group that routinely mocks our Lord Jesus Christ and Christianity) as honored guests to "**Pride Night**" at Dodger Stadium.

I am disappointed to see the Sister's of Perpetual Indulgence being honored as heroes at Dodger Stadium. Many of their performances are blasphemous, and their work only displays hate and mockery of Catholics and the Christian faith.

I understand that playing baseball is a privilege, and not a right. My convictions in Jesus Christ will always come first. Since I have been with the Dodger's they have been at the forefront of supporting a wide variety of groups.. However, inviting the Sister's of Perpetual Indulgence to perform disenfranchises a large community and promotes hate of Christians and people of faith. This single event alienates the fans and supporters of the Dodgers, Major League Baseball, and professional sports. People like baseball for its entertainment value and competition. The fans do not want propaganda or politics forced on them. The debacle with Bud Light and Target should be a warning to companies and professional sports to stay true to their brand and leave the propaganda and politics off the field..

I believe Jesus Christ died on the cross for my sins. I believe the word of God is true, and in Galatians 6:7 it says, "do not be deceived, God cannot be mocked; a man reaps what he sows." This group openly mocks Jesus Christ, the cornerstone of my faith, and I want to make it clear that I do not agree with nor support the decision of the Dodger's to "honor" the Sister's of Perpetual Indulgence.

"But as for me and my house, we will serve the Lord." Joshua 24:15.

Blake Treinen

God is calling *all* believers in these last days to stand firm like Blake, and to stay informed and keep aware of what is happening in the culture. The "culture wars" of our times are being fought in a variety of different theaters of conflict: e.g., in the realms of academia, commerce, politics, entertainment, the media, our houses of worship—and even within our own homes. In the end, there can be no neutrality (Matt. 12:30); let us fight the "good fight" (1 Tim. 6:12), recognizing both the ultimate source of opposition, as well as the powerful weapons that are at our disposal as believers (Eph. 6:10-17).
